

# LOCAL STEREO

## 局部立体

材质的特殊性决定了手感的特殊性,与视觉上的感受大相径庭,舒适的手感和突起的文字,看似坚硬实则柔软,给触摸者一种温柔的体验。大胆单一的绿色的运用,没有其他颜色的参杂,更为其展现了本身的特点,在使用上也更有魅力。

The particularity of the material determines the particularity of the hand feel, which is very different from the visual feeling. The comfortable hand feel and the protrudes of the text seem hard but soft, giving the touch a gentle experience. Of bold and oneness green apply, without the ginseng of other color is mixed, more its showed the characteristic of itself, also have charm more on use.

# LIQUIDGRAFFITI

## 液态涂鸦

液体流动效果作为街头涂鸦的一个经典元素,在潮牌图案、平面设计中经久不衰,随着近年来浸胶等工艺的兴起,液态流动在产品设计中也被大量使用。本系列将街头液体流动元素与重获各大品牌喜爱的荧光绿结合,打造独具特色的潮牌标牌。

Liquid flow effect, as a classic element of street graffiti, is enduring in fashion brand patterns and graphic design. With the rise of glue dipping and other technologies in recent years, liquid flow is also widely used in product design. This series combines the elements of street liquid flow with fluorescent green, which has regained the popularity of major brands, to create a unique fashion brand sign.
